## *Governor's Foreword*

From its humble beginning in 1853, the Illinois State Fair has developed into an agricultural giant, a panorama of displays and exhibits which underline the rapid progress of this state. It stands unrivalled by any other annual event Illinois has to offer.

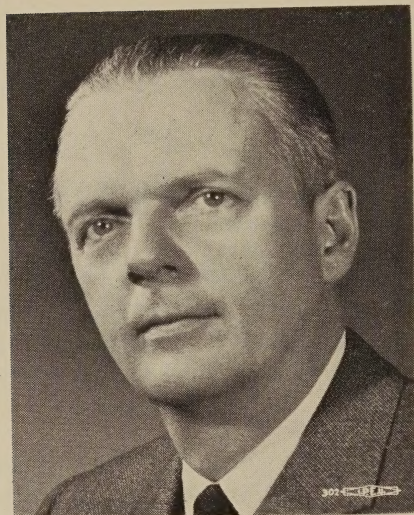

Marching bands, fireworks displays, wholesome entertainment, friendly competition—there's something to delight the entire family. At the Fair, sports fans, musicians, hobbyists, home-makers, collectors, businessmen, farmers and industrialists rub elbows in the common enjoyment of a great American institution.

Historic Springfield, home of the Fair, is a warm, convivial city where fairgoers and exhibitors find a pleasant blend of community neighborliness and big-city fun.

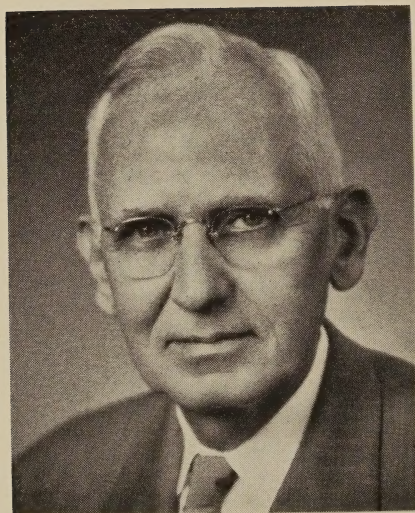

On behalf of the State of Illinois, I welcome you to the 1958 Illinois State Fair and assure you that it will be an event to remember.

WILLIAM G. STRATTON  
Governor of Illinois

11. Should there be any unnecessary or embarrassing delay in bringing animals into the show ring, the Superintendent may exclude such animals from competition.

12. No premium will be awarded to any animal, or group of animals, unless shown in the ring for judging.

13. Animals must not be removed from the grounds until the closing day of the Fair, except when afflicted by disease, or in case of emergency, and in such cases only upon request of the Superintendent of the Section and the written consent of the Management.

14. When on exhibition, in the Coliseum, each animal in this class must be under halter, in charge of owner or employee, who shall wear arm card to correspond with number in the official program.

15. Exhibitors must submit their animals for examination by the official veterinarian when so ordered by the Superintendent of the Section.

16. **ERRONEOUS ENTRY.** Exhibits that have been erroneously entered may, in the discretion of the Management, be transferred to or from their proper classes previous to the judging. If such classes have been judged they shall not be reopened and ineligible entries will be disqualified.

20. Champion classes will be limited to first prize animals except reserve champions where the second prize animal from the class in which the champion was selected may compete.

21. The Management reserves the right to add to or vary the judges when deemed advisable.

## Premier Breeder Award.....Banner

**WOOL SHOW**

Cliff Clevenger, Freeport, Illinois.....Superintendent

Amount of Premiums Offered in Wool Show....\$427.00

**ENTRIES CLOSE JULY 15, 1958**

Judging Wool Show Saturday P.M., August 9th

Judge—Charles Poland, Indianapolis, Ind.

**RULES**

In addition to the general rules governing entries, exhibits and awards the following rules apply specifically to the wool exhibit:

1. All wool exhibited must be shorn within the year shown.
2. All fleeces entered in the purebred exhibit must have been removed from purebred sheep recorded in their respective registry associations.
3. All fleeces entered in the purebred class exhibits must have been grown on sheep owned by the exhibitor and shown under his name.
4. A statement must accompany each fleece entered in the wool exhibit giving the breed, sex, and, in the case of purebred exhibits, the registration number of the sheep producing the fleeces and the number of days' growth of same.
5. Exhibitors are limited to two entries in each class. If fleeces entered in the purebred exhibit do not win an award they will be transferred to the proper grade in the market class. However, no exhibitor is entitled to more than two awards even though the transfer of fleeces from the purebred exhibit to the market class exhibit places more than two fleeces owned by one exhibitor in the competition.
6. All fleeces for exhibit must be tied with paper twine. The management reserves the right to reject fleeces tied with sisal (binder) twine or other heavy or rough twine as well as fleeces containing an excessive amount of foreign material such as tags, burrs, chaff, seeds, straw, etc.
7. The management of the Fair will receive fleeces sent prepaid by mail or express, marked attention "Wool Exhibit," and will see that such fleeces are properly displayed.
- Any exhibitor is entitled to reclaim any or all of his exhibit fleeces at the conclusion of the Fair, but the management of the Fair will not be responsible for returning or forwarding fleeces by mail or express at the conclusion of the Fair.
8. This exhibit will be judged from the standpoint of market requirements.
